

Finding The Right Expert and Making that Expert Work Right

You have a client that may have a mental health problem

I got to get out of here. I am the Duke basketball coach and I got to film a commercial.

- I am the King of Spain

Mr. Broun, I am a Nobel Prize winning scientist

The Way We Used to Do It

Investigate Your Client's Background

Determine the general area that
you want an expert in

Eureka!!! I think my client has multiple
personality disorder!!!

Get the right expert for your case

- Are they an expert in the area you need?
- Are they likely to help you?
- Will they appeal to your audience?
- Will they work well with you?
- Will they work well with your client?

Just Because They are Experts in the Field Doesn't Mean they are the Right Expert for You

- Dr. Ellen Smith

Her chief article on Split Personality Disorder

Why nobody in America actually suffers
From split personality disorder!!!

Dr. James
Dr. Rachel
Brown
Harrison

Everybody who commits
a crime has split
personality disorder
and thus are not liable for
their actions.
Why people with split
personality disorder
are all sociopaths
who should be shot
immediately

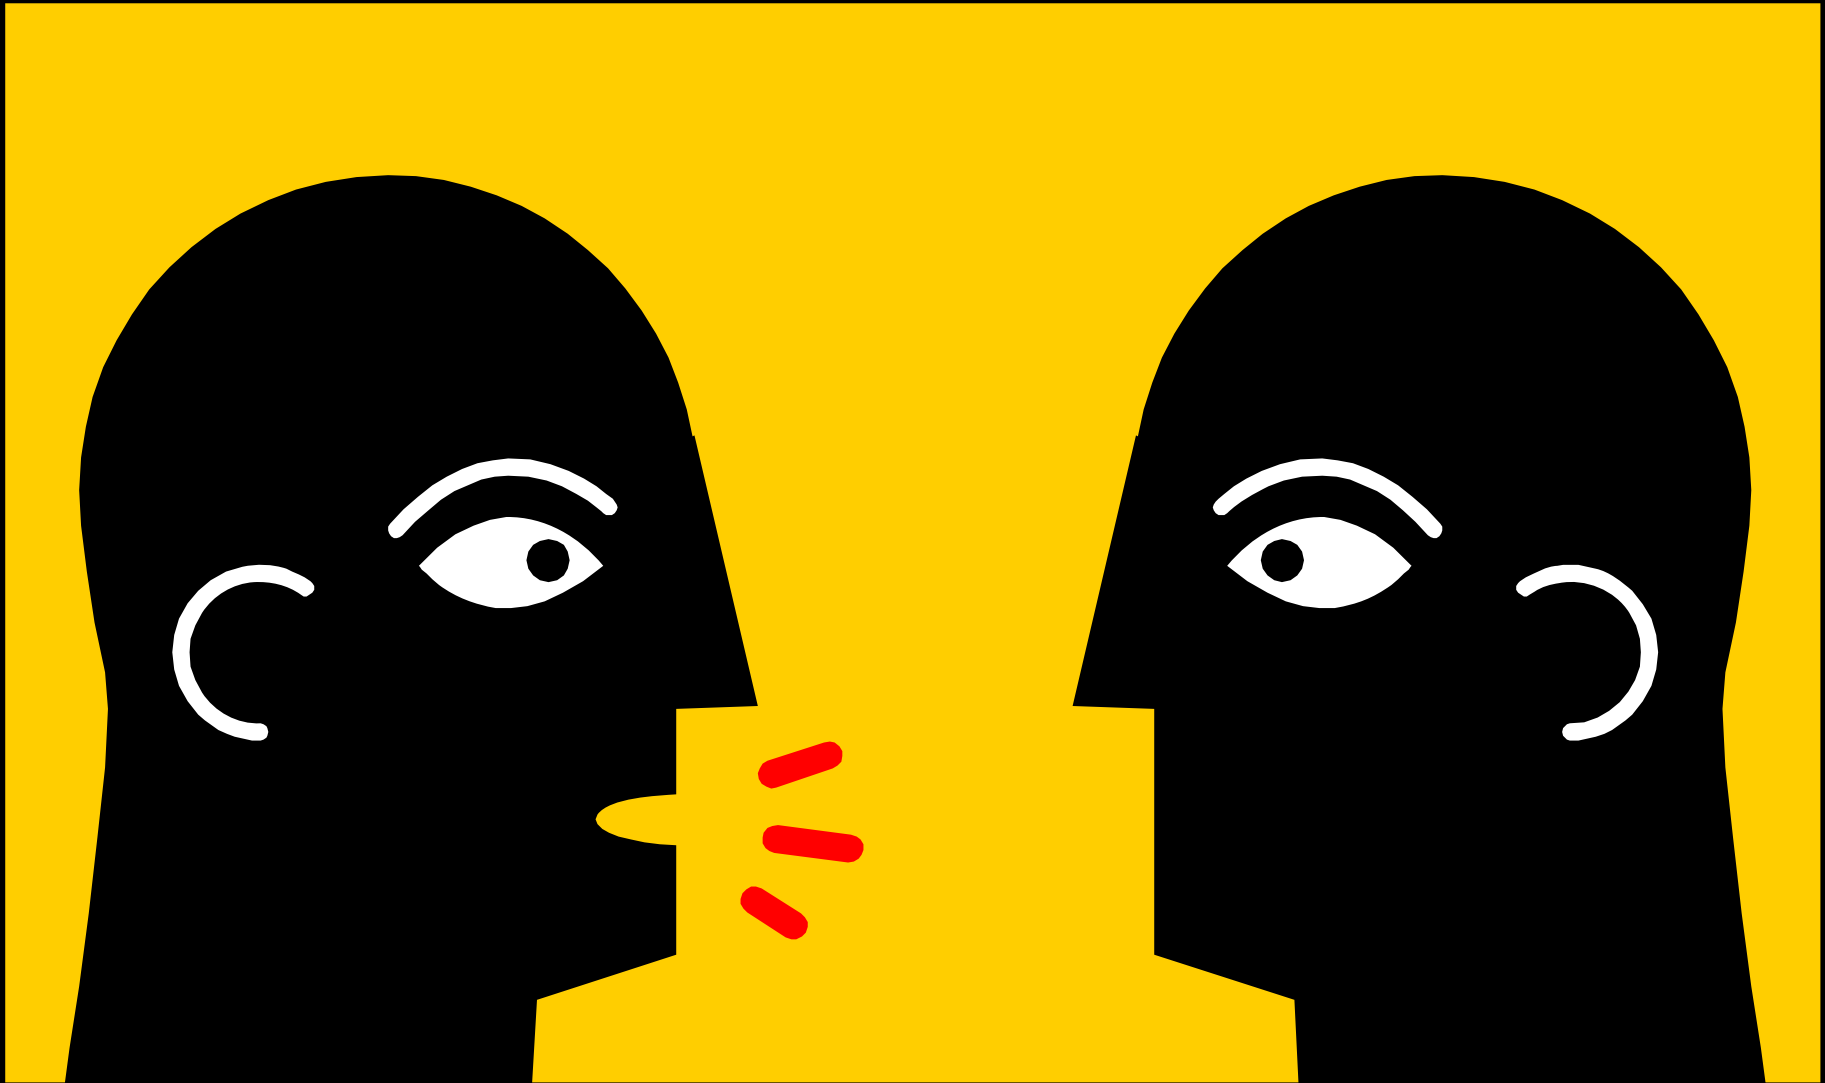

How can you find the right expert for your case?

- Ask Lawyers
- Ask other experts
- Research
- Interview the Expert

What to Give Your Expert

Talking with your expert
