### Article III Administration of Regulations

#### Section 3.1: Administrator

The President of the Caldwell County Bar shall designate a member of the Committee on Indigent Appointments (see herein below) as the Chairman. Said Chairman shall also act as the Administrator of these regulations. Said Administrator shall file and keep current these regulations for the assignment of counsel with the Clerk of Superior Court for Caldwell County.

#### Section 3.2: Clerk of Superior Court

The Clerk of Superior Court for Caldwell County shall keep a record of all counsel in the County eligible for appointment under these regulations, as provided below, and a permanent record of all appointments made within the county.

### Article IV Determination of Entitlement of Counsel

In each case subject to these regulations the court shall determine whether a person is entitled to have counsel appointed to represent him or her in the particular case. In cases in which the person must be indigent to receive counsel, the court shall determine indigency. When these regulations describe the functions that a court performs, the term "court" shall include the Clerk of Superior Court.

Article V  
Appointment of Counsel

Section 5.1: Order of Appointments

- (A) The Clerk of Superior Court shall maintain in his or her office master lists of attorneys for that county. The Committee on Indigent Appointments shall prepare such master lists and the Administrator shall provide them to the Clerk. These master lists shall be made reasonably available to the public upon request by the Clerk. When an appointment is to be made either by the District or Superior Court, the clerk shall provide the name of the next person on the master list to the court, who shall make the assignment as provided below.
- (B) If the court determines that a person is entitled to counsel, the court shall assign an attorney from the appropriate list. No appointment should be made by the court of an attorney whose name does not appear on the one of the master lists on file with the Clerk of Superior Court; however, in exceptional circumstances, the court may appoint a qualified attorney who is not on the list with that attorney's consent.
- (C) The court should assign the attorneys in a strict rotation in the sequence in which they appear on the list, except as permitted by these regulations. However, the court has the inherent authority to appoint an attorney who is not next in sequence on the list if the attorney who is next in sequence is unavailable or has a conflict, another attorney is already representing the particular client or the interests of justice require that a specific attorney be appointed rather than the next available attorney. If the court passes over the name of an attorney for a reason other than the attorney's unavailability, the court should return to the that attorney for the next appointment to the extent administratively feasible.
- (D) The court shall record the appointments it makes. The record shall be made available to the public upon request to the Clerk.
- (E) Entitlement to the appointment of counsel begins as soon as practicable after the indigent is taken into custody or is served with the warrant, notice, or other initiating process. Whenever a person is entitled to the appointment of counsel but the appropriate court is not in session and will not be in session within the next 48 hours, the Clerk of Superior Court shall make a determination f counsel and shall appoint counsel as provided in N.C.G.S. 7A-452(c).
- (F) An attorney's appointment with respect to a particular charge or proceeding shall continue until the final disposition of that charge or proceeding, including all critical stages thereof as set forth in N.C.G.S. 7A-451(b), unless the attorney is relieved of his appointment by the court.

## Section 5.2: Notice

Upon assigning a case to private counsel, the court or clerk shall furnish the notice of appointment to the attorney, which shall include the charging documents, and shall furnish to the client instructions about contacting his or her attorney. In abuse, neglect or dependency, termination of parental rights, and delinquency proceedings, the clerk shall also forward the summons and petition to the appointed attorney by the most expeditious means possible.

## Section 5.3: Multiple Counsel

In assigning cases to private counsel, the court should seek to appoint the same attorney on all pending matters concerning the defendant or respondent if the attorney is on the appropriate list. Where a criminal defendant is discharged after a finding of no probable cause in District Court but is later indicted in Superior Court on the same charge, the attorney appointed in District Court should be appointed to represent that defendant on that charge in Superior Court if he is qualified to do so pursuant to these regulations. However, if new charges are brought against a former criminal defendant after disposition of unrelated, previous charges, there shall be no presumption that the attorney who represented the defendant on the new charges.

If an attorney is appointed to represent a client on one matter, and the attorney learns that the client requires representation on another pending matter within the county for which the attorney is not on the appropriate list, the attorney shall notify the court. The court may remove the attorney from the case so that the court may assign all of the pending matters to other counsel who is on all of the appropriate lists. If no single attorney is on all of the appropriate lists, the attorneys appointed to represent the client should consult with each other to assure that the client's mutual interests are protected. If an attorney is already appointed and another matter pending within the county arises for which the attorney is not on the list, the attorney shall discuss the matter with the client and the new counsel and, with the client's permission, notify the court. If multiple attorneys are appointed for the same client, then the attorneys shall consult with each other to assure the client's mutual interests are protected.

Article VII  
Placement of Attorneys on Lists

Section 7.1: Application

Subsequent to the initial preparation of lists, any attorney who wishes to be added to or deleted from any list shall make the request in written letter form to the Chairman of the Committee. The request shall state the action requested, certify to the requisites met, and provide all other information which will facilitate the action of the Committee as to request. The request shall include information that will aid the Committee to determine whether the requesting attorney meets the standards set forth herein for placement on the list required by Article 7.

By submission of a request for placement on any list, an attorney consents to a confidential inquiry by the Committee of any references listed in the request and other familiar with the attorney's competence, for the purpose of determining whether the attorney fulfills the requirements within these rules for placement on the list. Further, the requesting attorney agrees that all information received by the Committee in conjunction with the application, including reference information, shall be confidential and shall not be disclosed except as required by law.

An attorney who wishes to have his or her name removed from a list shall file a written request with the Administrator, and the Administrator shall remove the attorney's name from the list and notify the court and any other interested parties. If an attorney has had his or her name removed from a list, the attorney must reapply to be on that list.

An attorney who wishes to transfer from one list to another shall file a written request with the Administrator. The Administrator should grant the request if the attorney wishes to transfer to a list for which the attorney has already met the qualifications by virtue of being on the list from which the attorney is being removed (for example, the attorney wants to transfer from List 3 to List 2 or List 1). All other requests should include information that will facilitate the Committee's determination of whether the attorney meets the standards set forth in Article 7 for placement on the particular list.

Notwithstanding anything herein to the contrary, an attorney who wishes to be added on a limited basis to any list (except List 6: Child Support Enforcement Actions, where only a certain number of attorneys are compensated on a per-session basis) shall make the request in written letter form to the Chairman of the Committee. The written request shall state the action requested, including with particularity the scope and nature of the limitation requested. A requesting attorney may seek to limit the relative frequency of his or her appointment on a list on a systematic and impartial basis. For example, an attorney may request that he or she be appointed to represent an indigent client only every second, third, or fourth time when his or her name comes up in the regular rotation of the sequence in which the attorney appears on the list. By requesting such a limitation in the frequency of his or her appointment, the attorney agrees

and consents that he or she will be deemed to be "unavailable" for appointment and will be skipped over by the court on all other occasions when his or her name comes up in the regular rotation of the sequence of attorney names on the list. The Administrator shall annotate the master list to show when the Committee determines (by and with the consent of the attorney) that the attorney is deemed to be "unavailable" for appointment and therefore should be skipped over by the court. A requesting attorney may not seek to limit his or her availability for appointment to only certain types or categories of cases covered by a particular list. A requesting attorney may not seek to limit his or her availability for appointment to represent particular clients unless ethically required to do so in order to avoid a potential or actual conflict of interest. A written request to be added to any list on a limited basis shall state the reasons for the requested limitation, shall certify to the requisites met, and shall provide all other information which will facilitate the action of the Committee as to the request. The request shall include information that will aid the Committee to determine whether the requesting attorney meets the standards set forth herein for placement on the list required by Article 7.

An attorney who wishes to modify the relative frequency of his or her current availability for appointment on any list shall file a written request with the Administrator. The Administrator should grant the request as the attorney has already met the requirements for inclusion on the list.

#### Section 7.2: Committee Review

The Committee shall determine whether the requesting attorney meets all of the applicable standards within these rules for placement on any list, including whether specific continuing legal education the attorney has taken is sufficient to meet the requirements. When the Committee meets to review requests for placement on a full or limited basis, it may require that the requesting attorney appear before it to be interviewed and may require information in addition to that submitted in the request. Any member of the committee may discuss requests with other members of the Bar in a confidential manner and may relate information obtained thereby to other members of the Committee. The Rules of Evidence do not apply with respect to review of the requests. The Committee may hold a request in abeyance for a reasonable period of time while obtaining additional information.

Once the Committee has determined whether an attorney requesting to be added to a list or to be transferred from a lower numbered list to a higher numbered list meets all of the applicable standards set out herein, the request shall be granted. If the Committee finds that the requesting attorney does not meet all of the applicable standards, the request shall be denied. If the requesting attorney meets all the applicable standards set out herein, the Committee shall not deny the attorney's request for placement on a limited basis on any list (except List 6: Child Support Enforcement Actions) provided the scope and nature of the requested limitation reduce relative frequency of the attorney's appointment on a list in a systematic and impartial manner. The finding of the Committee shall be reduced to writing and kept in the regular records of the Committee by the Chairman. The Committee shall assure that the requesting attorney is given

prompt notice of the action taken with respect to the request and is advised of the denial if the request is not granted. If the request is denied, the Committee shall specify in writing the applicable standards which the requesting attorney does not meet. If the request is denied in whole or in part due to the limited basis of the request, the Committee shall specify in writing and with particularity the reasons for the denial.

#### Section 7.3: Removal from List

If at any time it reasonably appears to the Committee that an attorney no longer meets the applicable standards for the list upon which he is placed, no longer meets the performance standards, or that he can no longer sufficiently meet the responsibilities of representing indigent defendants with respect to such a list, the Committee shall direct an attorney to show cause why he should not be removed from the list or transferred from a higher numbered list to a lower numbered list. Appropriate written findings shall be made by the Committee in this regard and the attorney shall be promptly informed of the basis of any action taken and the time for informing the removed attorney shall not be greater than sixty (60) days. The standards shall include billing in compliance with the Rules of the Commission on Indigent Defense Services, all local rules and the Revised Rules of Professional Conduct. If the Committee finds that a condition for removal exists, but is temporary and remediable, the Committee may temporarily suspend the attorney from the list. The Committee retains sole authority for removing attorneys from lists.

#### Section 7.4: Requests for Review

Requests for review of decisions denying placement of an attorney on a particular list or removing an attorney from a list should be made to the Director of the Office of Indigent Defense Services or the Director's designee pursuant to the procedures specified by the IDS policy on *Review from Denial of Attorney Application for Placement on Local Appointment List or Removal from Local Appointment List*, as posted on the IDS website. Requests shall be in writing and shall be postmarked within 15 days of when the attorney receives notice of the decision.

#### Section 7.5: Confidentiality

Whenever an attorney who provides information to the Committee collectively or through any member, requests that his name not be used or that his information be treated confidentially, his request shall be granted except as required by law and unless doing so results in manifest unfairness.
