| <b>Appellate Division</b>                                                               |                                            |          |          |
| Parent Representation <sup>3</sup>                                                      | Work done on or after Oct. 1, 2026         | \$75     | \$100    |
| Capital direct appeal                                                                   | Work done on or after Oct. 1, 2026         | \$100    | \$120    |
| LWOP and juvenile LWOP                                                                  | Work done on or after Oct. 1, 2026         | \$100    | \$115    |
| Satellite-based monitoring hearing                                                      | Work done on or after Oct. 1, 2026         | \$85     | \$115    |
| Class B1-D felony sex offense                                                           | Work done on or after Oct. 1, 2026         | \$85     | \$115    |
| All other class B1-D felony                                                             | Work done on or after Oct. 1, 2026         | \$85     | \$110    |
| Class E-I felony sex offense                                                            | Work done on or after Oct. 1, 2026         | \$85     | \$110    |
| All other class E-I felony                                                              | Work done on or after Oct. 1, 2026         | \$75     | \$100    |
| All other criminal and non-criminal appeals                                             | Work done on or after Oct. 1, 2026         | \$75     | \$95     |
| <b>Hearings Before Post-Release Supervision or Parole Commissions or Clerk of Court</b> |                                            |          |          |
| Parole and post-release supervision revocation hearings                                 | Final disposition on or after Oct. 1, 2026 | \$65     | \$85     |
| Competency proceedings pursuant to Chapter 35A                                          | Final disposition on or after Oct. 1, 2026 | \$65     | \$85     |

<sup>1</sup> For cases covered under the Managed Assigned Counsel program, the new rates will be effective for work done on or after October 1, 2026.

<sup>2</sup> Unless otherwise specified, rates for non-capital post-conviction proceedings are the same as the equivalent charge against an adult defendant.

<sup>3</sup> Effective January 1, 2024, certified child welfare specialists will receive a \$10/ hour incentive rate. This rate incentive does not apply to cases where the attorney is serving as a Rule 17 GAL. See [link](#) for details.
