

ASHLEY C. SIMMONS

919-397-5479

Summary of Qualifications

I thrive at process analysis, problem identification and resolution based upon data harvesting and interpersonal communication. Based upon my recent corporate experience and a twenty-five-year career with the United States government, I leverage an analytical approach that favors preparation rather than reaction or recovery. I am a driven and dedicated individual that strives to accomplish all organizational goals, while willingly embracing emerging advancements in technology, practices or techniques that will refine and enhance my current skill set.

Experience

Current Position

Private Investigator (Criminal and Background), Domestic Operational Services, Wake Forest, NC

On contractual basis, I conduct criminal, administrative, and background investigations in accordance with all statutory laws. Gather information and prepare documentation to support client's legal aims. Secure and preserve evidence in such a manner that it is of benefit and legally admissible in civil or criminal court. As investigation requires, conduct surveillance of known and suspected criminal targets for purposes of intelligence gathering and investigation purpose. Prepare threat and risk assessments as required to support client's demands. Conduct personal protection duties as required in support of high-risk principles.

Previous Position

Deputy Branch Chief Law Enforcement

I served as the organization's senior criminal investigator and joint task force deputy commander. Selected to participate in numerous classified investigations with the Secret Service, Homeland Security Investigations, and Federal Bureau of Investigations. Primary interface between multiple law enforcement agencies for criminal investigations, protection missions and strategic threat actions. Supervised multi-agency holistic threat (THR) and vulnerability assessment (VA) or threat hazard identification and risk assessment (THIRA) teams for local, state and federal assets or high-risk personnel. Selected as team leader for high risk/special security event planning and execution of 22 special events.
